No Immediate Threat to Marianas Assessed from Reported North Korea Launch

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD), in conjunction with the Mariana Regional Fusion Center (MRFC), federal and military partners, continue to monitor events surrounding the region including reports of the recent launch of an unidentified projectile out of the Democratic People's Republic of Korea (DPRK) today.

“Although no immediate threat was assessed for the Marianas from the reported launch, the community is reminded to remain steadfast in their preparedness for all-hazards,” said Samantha Brennan, Homeland Security Advisor. “Do not let preparedness be an afterthought, but something that is practiced year round.”
